To all Caloundra Seasons residents and Families

I hope you are all well and managing the current round of restrictions and mask wearing requirements.

I have had enquiries from some residents and families about the current arrangements for visiting within Seasons so thought it would be worth a short note to everyone to make sure everyone is clear on what is required.

There are currently no restrictions to visitors for our Caloundra service. However, if you are visiting from the greater Brisbane area, then you **MUST** wear a mask while onsite. If you could assist us by bringing your own mask, we would be most grateful. Hopefully these arrangements will be ceased next week.

I cannot emphasise enough the importance of physical distancing and hand hygiene at this time. Please maintain the 1.5m distance between yourself and others and wash your hands/use hand sanitiser as often as you can. If you feel unwell for any reason, then get in touch with staff and they will look after you.

As always, if you have any questions or concerns please get in touch with your Community Manager or email me on health@seasonsagedcare.com.au.

Kind regards
