To all Caloundra Seasons residents and families

COVID-19 UPDATE

Thank you to all families for your cooperation this last weekend while the greater Brisbane area was in “lockdown”. Fortunately, this “lockdown” will be lifted from 6pm tonight.

For all families, we are “open for business” and allowing visitors to residents. However, if you come from the greater Brisbane area to visit, please note that you will be required to wear a mask while onsite. This is consistent with the requirements of the Chief Health Officer. All other visitor requirements in regard to designated “hotspots” continue to also apply.

We are all well aware of how contagious COVID-19 is and how quickly it can spread in older people, especially those living in a clustered environment such as in Seasons. If you are unwell for any reason, we ask that you please postpone your visit.

If the situation changes, we will be sure to update you as soon as possible. If you hear nothing from us, then assume we are operating under the same arrangements as we are currently. If you are on Facebook, then keep an eye on our Facebook page/s; we post regular updates there and can sometimes do this quicker than mass emails to residents and families. Major changes will of course be communicated in a letter such as this.

As always, if you have any questions or require clarification, please contact me health@seasonsagedcare.com.au or your local Community Manager.

Yours sincerely

Tracey Silvester
CEO
