# Directors' Report

The directors present their report on Seasons Living Australia Pty Ltd for the financial year ended 30 June 2024.

#### 1. General information

#### Information on directors

The names of each person who has been a director during the year and to the date of this report are: Philip Usher

Directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

#### **Principal activities**

The principal activity of Seasons Living Australia Pty Ltd during the financial year was as a retirement village operator and care services provider.

No significant changes in the nature of the Company's activity occurred during the financial year.

#### 2. Operating results and review of operations for the year

#### **Operating results**

The profit of the Company after providing for income tax amounted to \$490,417 (2023: \$ (5,179,066)).

#### **Review of operations**

Seasons Living Australia Pty Ltd (Seasons) operates eight communities located in South-East Queensland. In apartment aged care services are offered at all communities, excluding Seasons Eastern Heights. Care and support services are delivered through various models including government funded Home Care Packages, Department of Veteran Affairs' community nursing and private fees for services. A 30-bed co-located Residential Aged Care facility, known as Seasons Mango Hill Care Suites, also operated at the Mango Hill Retirement Village.

Seasons Mango Hill, Sinnamon Park and Waterford West communities are operated under the Seasons Living Retirement Village 99-year right to reside model which includes full-service independent living, 24/7 on-site emergency support, compulsory meal packages, heavy laundry services and on-site care teams.

Seasons Bribie Island, Caloundra, Kallangur, Eastern Heights and Redbank Plains communities are operated under the Seasons Flexi Rental Village model.

During the year ended 30 June 2024, the final remaining 99-year right to reside leasehold residents located at the Redbank Plains, Bribie Island and Kallangur communities' leases were finalised and Closure Plans were lodged with the Department of Housing to deregister the Retirement Village Scheme. As at the date of this report Redbank Plains has received approval to deregister the Retirement Village Scheme and Seasons is currently awaiting approval of the deregistration of the Kallangur and Bribie Island. As at 30<sup>th</sup> June 2024, there were 26 remaining 99-year right to reside leasehold residents at the Seasons Caloundra Community. Subsequent to year end, on 9<sup>th</sup> August 2024 Seasons submitted a Closure Plan to deregister the Retirement Village Scheme for Seasons Caloundra to the Department of Housing and is currently working with the remaining 99-year right to reside residents to relocate or convert to a rental agreement. Seasons Hospitality business services have now ceased at all Seasons Flexi Rental communities and residents can choose a third-party supplier for meals, such as Lite N Easy.

During the year ended 30 June 2024 the Company's focus has continued to include increasing occupancy rates across its Retirement Villages, Flexi Communities and Residential Aged Care facility. Additionally, Seasons continues to build on its care business and to identify inefficiencies and cost saving measures across its portfolio, while working through government reforms.

As at 30 June 2024, Seasons had 87% occupancy in its Retirement Village communities and 97% occupancy in its Flexi communities.

#### **Directors' Report**

#### 30 June 2024

#### Review of operations (continued)

Seasons care operations experienced an increase in revenue of 6% from the prior year and a reduction in expenses of 3% and is continuing to manage the cost pressures of this labour-intensive operation.

On 1 January 2023, the Company commissioned a 30-bed residential aged care facility within its retirement village located at Mango Hill to complement its core business activities. The facility operated at below its capacity for the first six months to ensure the highest levels of compliance and care was offered to residents which impacted on profitability of the business unit. The facility is now operating at capacity which has resulted in improved profitability.

#### 3. Other items

#### Significant changes in state of affairs

There have been no significant changes in the state of affairs of the Company during the year.

#### Events after the reporting date

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Company, the results of those operations or the state of affairs of the Company in future financial years.

#### Future developments and results

The Company is looking to expand the capacity at some of its existing communities through the construction of additional accommodations. In addition, there is a view to increase the number of communities in operation in the future.

#### **Environmental issues**

The Company's operations are not regulated by any significant environmental regulations under a law of the Commonwealth or of a state or territory of Australia.

#### Indemnification and insurance of officers and auditors

No indemnities have been given or insurance premiums paid, during or since the end of the financial year, for any person who is or has been an officer or auditor of Seasons Living Australia Pty Ltd.

#### Auditor's independence declaration

The lead auditor's independence declaration in accordance with section 307C of the *Corporations Act 2001*, for the year ended 30 June 2024 has been received and can be found on page 3 of the financial report.

### Notes to the Financial Statements For the Year Ended 30 June 2024

The financial report covers Seasons Living Australia Pty Ltd as an individual entity. Seasons Living Australia Pty Ltd is a forprofit proprietary Company, incorporated and domiciled in Australia.

The principal activities of the Company for the year ended 30 June 2024 were the operation of retirement villages and provision of care services.

The functional and presentation currency of Seasons Living Australia Pty Ltd is Australian dollars.

The financial report was authorised for issue by the Directors on 21 October 2024.

Comparatives are consistent with prior years, unless otherwise stated.

#### 1 Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards - Reduced Disclosure Requirements and the *Corporations Act 2001*.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

#### 2 Summary of Significant Accounting Policies

#### (a) Revenue and other income

#### Revenue from contracts with customers

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Company expects to receive in exchange for those goods or services.

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Company have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

#### Specific revenue streams

The revenue recognition policies for the principal revenue streams of the Company are:

#### Care income

The company provides care to the residents of their aged care communities. This is recognised on a consumption basis, with customers being billed in arrears, either on a fortnightly or monthly cycle.

#### General services charge

The general services charge billed to residents is based upon the budgeted day-to-day running costs of the community. The income is recognised fortnightly when residents are billed their share of the contribution.

For the Year Ended 30 June 2024

#### 2 Summary of Significant Accounting Policies

(a) Revenue and other income

#### Specific revenue streams

#### Hospitality income

Residents in the communities have daily meals provided. This is billed on a consumption basis fortnightly, in arrears. Communities also have on site cafes for residents and their vistors. Income from these are recognised on consumption at point of sale.

#### **Rental income**

Investment property revenue is recognised on a straight-line basis over a period of the lease term so as to reflect a constant periodic rate of return on the net investment.

#### **Grant revenue**

Government grants are recognised at fair value where there is reasonable assurance that the grant will be received and all grant conditions will be met. Grants relating to expense items are recognised as income over the periods necessary to match the grant to the costs they are compensating. Grants relating to assets are credited to deferred income at fair value and are credited to income over the expected useful life of the asset on a straight-line basis.

#### Other income

Other income is recognised on an accruals basis when the Company is entitled to it.

#### (b) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

#### (c) Inventories

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first-in-first-out basis and is net of any rebates and discounts received. Net realisable value is estimated using the most reliable evidence available at the reporting date and inventory is written down through an obsolescence provision if necessary.

#### (d) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

### Notes to the Financial Statements

For the Year Ended 30 June 2024

#### 2 Summary of Significant Accounting Policies

#### (d) Property, plant and equipment

#### Plant and equipment

Plant and equipment are measured using the cost model.

#### Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a reducing balance basis over the asset's useful life to the Company, commencing when the asset is ready for use.

Leased assets and leasehold improvements are amortised over the shorter of either the unexpired period of the lease or their estimated useful life.

#### (e) Financial instruments

Financial instruments are recognised initially on the date that the Company becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

#### **Financial assets**

All recognised financial assets are subsequently measured in their entirety at amortised cost.

#### Amortised cost

The Company's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position.

Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provision for impairment.

Interest income, foreign exchange gains or losses and impairment are recognised in profit or loss. Gain or loss on derecognition is recognised in profit or loss.

#### **Financial liabilities**

The Company measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method.

The financial liabilities of the Company comprise trade payables, bank and other loans and lease liabilities.

#### (f) Intangible assets

#### Patents and trademarks

Patents and trademarks are recognised at cost of acquisition.

# Notes to the Financial Statements

For the Year Ended 30 June 2024

#### 2 Summary of Significant Accounting Policies

#### (g) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

#### (h) Employee benefits

Provision is made for the Company's liability for employee benefits, those benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Cashflows are discounted using market yields on high quality corporate bond rates incorporating bonds rated AAA or AA by credit agencies, with terms to maturity that match the expected timing of cashflows. Changes in the measurement of the liability are recognised in profit or loss.

#### 3 Critical Accounting Estimates and Judgments

The directors make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

#### Key estimates - receivables

The receivables at reporting date have been reviewed to determine whether there is any objective evidence that any of the receivables are impaired. An impairment provision is included for any receivable where the entire balance is not considered collectible. The impairment provision is based on the best information at the reporting date.

#### SEASONS LIVING AUSTRALIA PTY LTD ABN 58 108 866 904 INDEPENDENT AUDITOR'S REPORT TO THE OWNERS OF SEASONS LIVING AUSTRALIA PTY LTD

#### Opinion

We have audited the financial report of Seasons Living Australia Pty Ltd (the company), which comprises the statement of financial position as at 30 June 2024, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of Seasons Living Australia Pty Ltd is in accordance with *Corporations Act 2001*, including:

- (i) giving a true and fair view of the company's financial position as at 30 June 2024 and of its performance for the year then ended; and
- (ii) complying with Australian Accounting Standards to the extent described in Note 1 and *Corporations Regulations 2001.*

#### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the registered entity in accordance with the *Corporations Act 2001*, the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Emphasis of Matter – Basis of Accounting**

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the directors' financial reporting responsibilities under the *Corporations Act 2001*. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

#### Information Other than the Financial Report and Auditor's Report Thereon

The directors are responsible for the other information. The other information comprises the information included in the Company's annual report for the year ended 30 June 2024, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Responsibilities of the Directors for the Financial Report**

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the *Corporations Act 2001* and is appropriate to meet the needs of the owners. The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

#### Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decision of users taken on the basis of this financial report.

As part of any audit in accordance with the Australia Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimate and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the Group audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
